

To the manager of my local grocery store:

I love shopping at your store because I usually find everything my family is looking for. However, I see that you are not currently stocking the Nossack Best Recipes sausage rolls or quiche in your freezer section. Perhaps you are not familiar with them?

Nossack Best Recipes makes savoury sausage rolls with tasty flavour profiles and various-sized pies and quiches. They are created in a Federally-inspected, SQF + HACCP Certified facility and have been creating gourmet specialties loved by Canadians since 2008.

Here is a list of the available retail Nossack Best Recipes products. I've checked off the ones I would really like to buy at your store. Could you please assist and bring them in?
